Have them make a pray chain. Cut strips of paper into ½" or 1". Allow them the make a prayer chain. Each child can put prayer requests on the chain and then glue them together. Encourage them to put down requests for the family and the church. If the prayer requests get answered, have them write a date or how God answered the requests on the chain link that has the request.

Everyone one can do this. You will have to have enough pencils outside. They kids will have to use their bibles as a "desk".

### **Family Discussion Questions**

1. What are some things that the church might need as a prayer request?
2. Who would you like to pray for in our church?
3. Ask them how God might answer the request. Give them suggestions.
