HAPPENING NOW

Planning Center Giving

We are switching from PushPay to Planning Center Giving (PCG). While similar, PCG is a better financial value, integrates easier with existing software and offers considerable savings on transaction fees... which makes us all better stewards of God's money. Try it now at lakechurchdfw.org/give.

Excel Learning

Excel Learning Academy is providing a safe, educational environment for students in first through sixth grade. We have become aware of several families that would like to send their student but cannot afford the cost of a full week's tuition. If you would like to provide a scholarship for a student to attend Excel, email rclements@excellearning.academy.
